1. Definition

1.1. References made to ‘child’ and ‘children’ refer to children and young people under the age of 18 years. However, the principles of the document apply to professional behaviours towards all pupils, including those over the age of 18 years. ‘Child’ should therefore be read to mean **any pupil** at the education establishment.

1.2. References made to adults and staff refer to all those who work with children in an educational establishment, in either a paid or unpaid capacity.

1.3. The term ‘allegation’ means where it is alleged that a person who works with children has • behaved in a way that has harmed a child, or may have harmed a child;
• possibly committed a criminal offense against or related to a child; or,
• behaved towards a child or children in a way that indicates they may pose a risk of harm to children.

2. Introduction

2.1. The Ranch Xtreme in the role of Alternative Education Provision have a legal duty to create and maintain a safe learning environment for children. A staff Code of Conduct is a **mandatory** requirement as described in the DfE statutory guidance: ‘Keeping Children Safe in Education 2024’.

The Department for Education (DfE) has released its new iteration of Keeping Children Safe in Education ([KCSIE](#)) which will take effect on 1 September 2024 and replace the 2023 version.

2.2. The Ranch Xtreme seeks to provide a safe and supportive environment which secures the well-being and very best outcomes for children in our care. The following code draws together existing laws, regulations and conditions of service designed to protect the interests of staff and volunteers and the children with whom they work and this has been agreed following consultation with recognised trade unions and is recommended for adoption.

2.3. Staff should be aware that a failure to comply with this code could result in disciplinary action including dismissal.

3. Purpose and Scope

3.1. All staff and volunteers working in a school setting have a legal and moral duty to keep children safe and protect them from harm. Staff should ensure they do not put themselves in situations in

which allegations of abuse or inappropriate behaviour could be made.

3.2. This code applies to all adults working in all of The Ranch Xtreme settings whatever their position, role or responsibilities.

3.3. All staff have a responsibility to be aware of systems within The Ranch Xtreme which support safeguarding, which should be explained as part of staff induction and through regular staff training.

3.4. The code should be read in conjunction with the relevant statutory and other guidance documents issued nationally or by the DfE and Home Office as well as other related The Ranch Xtreme policies and procedures (see **Appendix 1** of this policy).

3.5. This code cannot cover every eventuality. Its purpose is to show the standard expected of staff but it does not replace the general requirements of the law.

3.6. It is recognised that the vast majority of adults who work with children act professionally and aim to provide a safe and supportive environment which secures the well-being and very best outcomes for children in their care. Achieving these aims is not always straightforward, as much relies on child and staff interactions where tensions and misunderstandings can occur. This code aims to reduce the risk of that.

4. Core Principles

4.1. The welfare of the children is paramount.

4.2. Staff are responsible for their own actions and behaviour and should seek to avoid any conduct that would lead any reasonable person to question their motivation or intentions.

4.3. Staff should dress appropriately at all times for the tasks they undertake and ensure they promote a positive and professional image.

4.4. Staff should apply the same professional standards regardless of culture, disability, gender, language, racial origin, religious belief and sexual orientation.

4.5. Staff should not consume or be under the influence of alcohol or substances, including prescribed medication that may affect their ability to care for children.

4.6. Staff should be aware that breaches of the law and other professional guidelines could result in disciplinary action being taken against them, criminal action and/or other proceedings including barring by the Disclosure & Barring Service (DBS) from working in regulated activity.

4.7. Staff and managers should continually monitor and review practice to ensure this guidance is followed and should understand their responsibilities to safeguard and protect children.

4.8. Staff should discuss and/or take advice promptly from their line manager or another senior member of staff over any incident which may give rise to concern.

4.9. Records should be made of any incident and decision made or where further actions have been agreed, in accordance with school policies and confidentiality.

4.10. All staff should know The Ranch Xtreme's Designated Safeguarding Lead and Deputy Designated Safeguarding Lead and be familiar with local child protection arrangements, arrangements for managing allegations against staff, whistleblowing procedures and The Ranch Xtreme's escalation procedures.

4.11. Staff should be aware of and comply with The Ranch Xtreme's financial and administrative regulations and any other procedure manuals.

5. Conduct and Behaviour

5.1. All staff who work in The Ranch Xtreme's setting are in a position of trust in relation to individuals in their care and so must adopt high standards of personal integrity and conduct and behave in such a way that does not compromise their position both within and outside of the workplace or the safety and/or welfare of children and young people.

5.2. Staff should be aware that it is a criminal offence (Sexual Offences Act 2003: abuse of a position of trust) to engage in sexual activity with a pupil under the age of 18.

5.3. Youth Support Workers are expected to demonstrate consistently high standards of personal and professional conduct.

5.4. Staff should never make (or encourage others to make) unprofessional comments or use physical force as a form of punishment.

5.5. Staff should always adhere to The Ranch Xtreme's policies on Behaviour Management and Use of Reasonable Force.
